believe that these arguments against abortion, although at times quite powerful, are ultimately unsuccessful. Indeed, it is the central thesis of this book that the moral case against abortion can be shown to be un-successful on terms that critics of abortion can, and already do, accept. I attempt to defend this thesis in the chapters that follow.

Judith Jarvis Thomson: A Defense of Abortion . ... I think, rather, that there are drastic limits to the right of self-defense. If someone threatens you with death unless you torture someone else to death, I think you have not the right, even to save your life, to do so. But the case under consideration here is very different.
