Download free sheet music for elementary piano. A smile comes over my face as I think of this song--so full of energy, so happy! Play this song quickly like a little dancer flying across the room (or stage).

## **Free Piano Music!**

Listen to this tune in G major and in D major. The music may look quite different, but the only difference when you listen is that one sounds higher than the other. So why bother with different keys at all?

The level isn't low. Films have a lot more dynamic range than most music, and most people do not have the systems or acoustics to play back a proper 5.1 movie mix, and most people have not properly calibrated their surround systems either. A high-performance surround system in an acoustically treated space that's properly calibrated and played at (or near) reference level (0dB) has no issues ...
