3 Communication Models and Theories This first model is missing an essential step in the communications process—feedback. Without feedback, we don't know if the receiver

### **Communication Models and Theories**

Communication (from Latin *communicare*, meaning "to share") is the act of conveying meanings from one entity or group to another through the use of mutually understood signs, symbols, and semiotic rules.. The main steps inherent to all communication are: The formation of communicative motivation or reason.; Message composition (further internal or technical elaboration on what exactly to express).

Expanding Your View. Up to now, your introduction to organizational communication has been fairly straightforward. The definition of an "organization" presented in Chapter 1 "Introduction to Organizational Communication" emphasized aspects of the workplace that you probably expected—structure, goals, personnel, etc., and the definition of "communication" featured elements that can be ...
