Counterpoint is book one of a two book epic story. The ending of this story is a cliffhanger with a few unresolved issues and definitely no happy ending in sight. This is perhaps why I had such a tough time with the story. On the one hand, the fantasy world is lovingly crafted with an eye for detail.

In music, counterpoint is the relationship between voices that are harmonically interdependent yet independent in rhythm and contour. It has been most commonly identified in the European classical tradition, strongly developing during the Renaissance and in much of the common practice period, especially in the Baroque. The term originates from the Latin punctus contra punctum meaning "point against point".
