Personhood is the status of being a person. Defining personhood is a controversial topic in philosophy and law and is closely tied with legal and political concepts of citizenship, equality, and liberty. According to law, only a natural person or legal personality has rights, protections, privileges, responsibilities, and legal liability.. Personhood continues to be a topic of international ...

In criminology, a political crime or political offence is an offence involving overt acts or omissions (where there is a duty to act), which prejudice the interests of the state, its government, or the political system. It is to be distinguished from state crime, in which it is the states that break both their own criminal laws or public international law.

Immigration to North America began with Spanish settlers in the 16th century, and French and English settlers in the 17th century. In the century before the American revolution, there was a major wave of free and indentured labor from England and other parts of Europe as well as large scale importation of slaves from Africa and the Caribbean.

William Lane Craig is a prolific Christian philosopher, apologist, author, and public debater. He is the best debater "on any topic" that I've ever heard. As far as I can tell, he has won nearly all his debates with atheists. When debating him, atheists have consistently failed to put forward solid arguments, and consistently failed to point out the flaws in Craig's arguments.
