Dungeons & Dragons is a structured yet open-ended role-playing game. It is normally played indoors with the participants seated around a tabletop. Typically, each player controls only a single character, which represents an individual in a fictional setting. When working together as a group, these player characters (PCs) are often described as a "party" of adventurers, with each member often ...

System Neutral Edition. This edition of GM's Miscellany: Dungeon Dressing presents all the great flavour and descriptions found in the Pathfinder edition of the book, but removes all the Pathfinder terminology. So, for example there is no mention of DCs, Knowledge checks, Perception checks and so on in this book! A few sections had to be removed wholesale.
