The Political Economy of Transition Gérard Roland Gérard

Thus, the economic problems of the Communist states played a role in the events of 1989, but were probably not the most important factor for most people who helped bring down the regimes. If we are going to make sense of the role that economic factors made in the events of 1989, it is essential that we take a broader view of just what the economic situation actually was.

Sacred Economics 5 CHARLES EISENSTEIN Introduction The purpose of this book is to make money and human economy as sacred as everything else in the universe. Today we associate money with the profane, and for good reason.

Sacred Economics 1 CHARLES EISENSTEIN

BUT economics textbooks do not reflect the diversity of thinking, the roll of history, the importance of institutions, etc. nearly as much as the profession has changed at the top. The economics taught in public policy schools has changed little. The economics invoked in political discourse has changed least of all.
