When done, you'll hand the estimate over to the ... markup, turning the estimate into a bid. Electrical estimating can be either full- or part-time work. Most smaller electrical contracting companies ...

### **Estimating Electrical Construction Revised**

Many electrical contractors believe the estimating process begins with the take-off, when in reality that's

step No. 3 or 4 down the line. The estimating process actually starts way before any estimating or counting begins and certainly before you peruse the bid boards to see what's out there.
