India's higher education system is the third largest in the world, next to the United States and China. The main governing body at the tertiary level is the University Grants Commission, which enforces its standards, advises the government, and helps coordinate between the centre and the state. Accreditation for higher learning is overseen by 15 autonomous institutions established by the ...

Governance in higher education is the means by which institutions for higher education (tertiary or post-secondary education) are formally organized and managed (though often there is a distinction between definitions of management and governance). Simply, university governance is the way in which universities are operated. Governing structures for higher education are highly differentiated ...
