Project Communication Handbook September, 2007 . ii . Preface . Purpose . This document provides an overview of the basic concepts and processes that guide project communication at the Department. The purpose of the . ... File data using the Project Development Uniform Filing System and

### **PROJECT COMMUNICATION HANDBOOK**

Ray Horak's "Telecommunications and Data Communications Handbook" is a definitive reference manual for all types of computer, telecom and data communications networks, devices and models. What impresses most is the fact that this book takes the most important elements and concepts from both telecom and datacom and squeezes them into one reference.
