Handbook Of Landscape Archaeology - rifa-eu.org

The tension between landscape as an entity to be viewed like a painting from afar, and either analyzed or aestheticized, and landscape as a context of dwelling or inhabitation is one that has haunted landscape studies, and that was bequeathed to archaeology once it began to be concerned with the concept, much later on.

Landscape Archaeology: Introduction | Handbook of

Over the past three decades, 'landscape' has become an umbrella term to describe many different strands of archaeology. Here, archaeologists attempt a comprehensive definition of the ideas & practices of landscape archaeology, covering the theoretical & the practical, the research & conservation, encasing the term in a global framework.
