The UNEP FI Principles for Sustainable Insurance (download PDF): English "français" "português" "español". Our aspiration. The insurance industry's core business is to understand, manage and carry risk.

The Principles « UNEP FI Principles for Sustainable Insurance

Insurance is a means of protection from financial loss. It is a form of risk management, primarily used to hedge against the risk of a contingent or uncertain loss.. An entity which provides insurance is known as an insurer, insurance company, insurance carrier or underwriter. A person or entity who buys insurance is known as an insured or as a policyholder.
