### **International Relations: A Very Short Introduction by Paul**

3. For readers with very little knowledge of world affairs, and who would therefore be happy with an introductory commentary on international relations, this book probably falls short again because the writing style seems a bit too pretentious for that audience. So the book isn't even well suited for neophytes.

### **Amazon.com: International Relations: A Very Short**

In the discipline of international relations there are contending general theories or theoretical perspectives. Realism, also known as political realism, is a view of international politics that stresses its competitive and conflictual side.
