Definition. Grit was defined as "perseverance and passion for long-term goals" by psychologist Angela Duckworth and colleagues, who extensively studied grit as a personality trait. They observed that individuals high in grit were able to maintain their determination and motivation over long periods despite experiences with failure and adversity. They concluded that grit is a better predictor ...

Grit (personality trait) - Wikipedia

Personality type refers to the psychological classification of different types of individuals. Personality types are sometimes distinguished from personality traits, with the latter embodying a smaller grouping of behavioral tendencies. Types are sometimes said to involve qualitative differences between people, whereas traits might be construed as quantitative differences.

Personality type - Wikipedia

The History of Personality Theory and Assessment | 5 the environment in which a child is raised determines intelligence, temperament, and other personality characteristics of that child; genetics are unimportant.

The History of Personality Theory and Assessment

Choose the Right Synonym for character. Noun. disposition, temperament, temper, character, personality mean the dominant quality or qualities distinguishing a person or group. disposition implies customary moods and attitude toward the life around one. a cheerful disposition temperament implies a pattern of innate characteristics associated with one's specific physical and nervous organization.

Character | Definition of Character by Merriam-Webster

Collective and non-human intelligence. Some thinkers have explored the idea of collective intelligence, arising from the coordination of many people. A battleship, for instance, cannot be operated by a single person's knowledge, actions and intelligence, it takes a coordinated and interacting crew.
