Educational Psychology Interactive: Readings in

The field of sociology itself—and sociological theory by extension—is relatively new. Both date back to the 18th and 19th centuries. The drastic social changes of that period, such as industrialization, urbanization, and the rise of democratic states caused particularly Western thinkers to become aware of society. The oldest sociological theories deal with broad historical processes ...

Dramaturgy is a sociological perspective commonly used in microsociological accounts of social interaction in everyday life. The term was first adapted into sociology from the theatre by Erving Goffman, who developed most of the related terminology and ideas in his 1959 book, *The Presentation of Self in Everyday Life*. Kenneth Burke, whom Goffman would later acknowledge as an influence, had ...
