

**service manual citroen c5 pdf**

The Citroën C5 is a large family car produced by the French manufacturer Citroën since March 2001, and now in its second generation. The C5 replaced the Citroën Xantia, in the large family car class. It is not the first Citroën with "Cx" naming nomenclature, as it was used by its ancestors, the C4 and C6 from 1930. The third generation is expected to be released in 2020.
