Overview. The Department of Energy (DOE) is a cabinet-level agency that has both important energy- and national security-related missions. DOE's roots go all the way back to World War II and the Manhattan Project, the top-secret program that launched America's effort to develop and stockpile nuclear weapons.

Graduate Scholarships. While less common than undergraduate scholarships, scholarships for graduate students are available. Graduate students rely heavily on fellowships or assistantships - especially in high-need areas like nursing or teaching - but these aren't available to everyone and don't always cover a graduate student's living expenses.
